

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2328 - SB 2283

March 18, 2009

SUMMARY OF BILL: Requires the state fire marshal to include energy efficiency in the minimum building construction safety code. Removes the exemption from statewide building code for one and two-family dwellings.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumption:

- The addition of energy efficiency to the building code will have no fiscal impact on the state. Adoption of building codes for one and two-family dwellings will result in an increase in state expenditures that is estimated to not be significant.
- Codes for one and two-family dwellings are currently established at the local government level with approval by the state fire marshal.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in cursive script, reading "James W. White".
